BARHAM JULY 2025

Community News

it's one of our favorite times of the year—summer is in full swing and CSUSM student orientation is just around the corner (happening 7/10 and 7/30!). With all the fun at the pool (we love to see it!), just a friendly reminder to keep balconies and patios towel-free so we can all enjoy our beautiful community looking its best!

What Residents Are Saying

J Lee

"My wife and I recently moved into Barham Villas earlier this month and Stacey has been more than amazing. All the tiny issues that I noticed were addressed in an instant and she is more than understanding / willing to work with you. Very quiet neighborhood and the amenities are amazing."

Live Well

Grown Right Here

This past month, our community enjoyed a bountiful harvest—from both our hydroponic FarmBox and our resident-tended community garden! Italian basil, crisp lettuces, and edible nasturtium flowers were picked from our on-site FarmBox, while tomatoes, long beans, pumpkin, cactus, mint, oregano, parsley, and more were grown with care in our community garden. These spaces are more than just gardens—they're part of our commitment to sustainability, connection, and healthy living.
