BARHAM VILLAS OCTOBER 2024

Community News

exciting things are happening at Barham Villas! Our new FarmBox will be ready for harvest in the coming months, bringing fresh, sustainable produce right to the leasing office for pickup. Stay tuned for upcoming events and spooky season festivities this fall!

October Resident Event

Harvest is coming! Stay tuned for our upcoming harvest from the onsite FarmBox at Barham Villas. Get your free, fresh produce as soon as it's ready to be picked. We're thrilled to share more about this exciting initiative, promoting healthy living and sustainability right here in our community.

What Residents Are Saying

Alma F.

"My son has lived in this apartment complex since 2018 - he has loved it so much that my husband and I decided last year to move here as well to a spacious 3 bedroom apt.! Great location, peaceful community, prompt maintenance of any issues with dedicated, professional, and courteous office and maintenance staff! We are very appreciative of how responsive, knowledgeable, hardworking, accommodating and understanding Stacey is. We now call Barham Villas "our home!"

Live Well

Year-Round, Nutrient Dense Produce!

Did you know Barham Villas has its own vertical hydroponic farm? From the outside, it looks like a shipping container, but the inside is home to an abundance of high-quality produce all in 320 square feet of space. Our FarmBox program went live earlier this year and is designed for high-yield with a low carbon footprint, allowing us to offer our residents access to free, healthy food options several times per year.
